

# Engineering & Fabricating Services

Many of the products in this catalog were brought to us by molders. In an effort to maintain their machines or solve problems, they find a solution that works.

If this solution works for one it many work for someone else as well.

Bring your ideas to IMS – we welcome them! We will work with you to from development to implementation to engineer a solution.

Call or email us to discuss your needs:

**Call: 1.800.537.5375**

**Email: [ems@imscompany.com](mailto:ems@imscompany.com)**
